Am Em
When the sins of my father
B7 Em
Weigh down in my soul
Am Em
And the pain of my mother
B7 Em
Will not let me go
Am Em
Well I know there can come fire from the sky
B7 Em
To refine the purest of kings
Am Em
And even though I know this fire brings me pain
B7 Em
Even so and just the same

Am Em
Make it rain... Make it rain down Lord
B7 Em
Make it rain Oh, make it rain
Am Em
Make it rain... Make it rain down Lord
B7 Em
Make it rain.... Make it rain

Am Em
And the seed needs the water
B7 Em
Before it grows out of the ground
Am Em
But it just keeps on getting hotter
B7 Em
And the hunger more profound
Am Em
Well I know there can come tears from the eyes
B7 Em
But they may as well all be in vain
Am Em
Even though I know this tears come with pain
B7 Em
Even so and just the same

Am Em
Make it rain... Make it rain down Lord
B7 Em
Make it rain Oh, make it rain
Am Em
Make it rain... Make it rain down Lord
B7 Em
Make it rain.... Make it rain

Am Em
And the seas are full of water
B7 Em
That stop by the shore
Am Em
Just like the riches of grandeur
B7 Em
That never reach the poor
Am Em
So let the clouds fill with thunderous applause
B7 Em
And let lightning be the veins
Am Em
And fill the sky with all that they can drop
B7 Em
When it's time to make a change

Am Em
Make it rain... Make it rain down Lord
B7 Em
Make it rain Oh, make it rain
Am Em
Make it rain... Make it rain down Lord
B7 Em
Make it rain.... Make it rain

Am
Make it rain...
Em
