

Save Myself

Ed Sheeran

Version Guitare Capo 3

G **Dsus4** **Em** **C**
I gave all my oxygen to people that could breathe
G **Dsus4** **Em** **C**
I gave away my money and now we don't even speak
C **D** **Em** **D** **C**
I drove miles and miles, but would you do the same for me?
G **D** **G**
Oh-oh, oh-oh honestly ?

G **Dsus4** **Em** **C**
Offered off my shoulder just for you to cry upon
G **Dsus4** **Em** **C**
Gave you constant shelter and a bed to keep you warm
C **D** **Em** **D** **C**
They gave me the heartache and in return I gave a song
G **D** **G**
It goes on o-o-on and on

C **G** **Dsus4** **G**
Life can get you down so I just numb the way it feels
C **G** **D** **D#dim7** **Em**
I drown it with a drink and out of date prescription pills
C **D**
And all the ones that love me
Em **D** **C**
They just left me on the shelf
A7/C#

My farewell
Am7
So before I save someone else,
C **G/D** **Am7/E** **D7sus4** **G**
I've got to save my - self

G **Dsus4** **Em** **C**
I gave you all my energy and I took away your pain
G **Dsus4** **Em** **C**
'Cause human beings are destined to radiate or dream
C **D**
What line do we stand upon
Em **D** **C**
'cause from here looks the same?
G **D** **G**
And only scars remain

C **G** **Dsus4** **G**
Life can get you down so I just numb the way it feels
C **G** **D** **D#dim7** **Em**
I drown it with a drink and out of date prescription pills
C **D**
And all the ones that love me
Em **D** **C**
They just left me on the shelf
A7/C#

My farewell
Am7
So before I save someone else,
C **G/D** **Am7/E** **D7sus4** **G**
I've got to save my - self

Em
But if don't
C
Then I'll go back
G
To where I'm rescuing a stranger
D **Em**
Just because they needed saving just like that

C
Oh, I'm here again
G
Between the devil and the danger
D
But I guess it's just my nature
Cmaj7
My dad was wrong
D
'Cause I'm not like my mum
Em **D** **C**
'Cause she'd just smile and I'm complaining in a song
A7/C#
But it helps
Am7
So before I save someone else,
C **G/D** **Am7/E** **D7sus4** **G**
I've got to save my - self

C **G** **Dsus4** **G**
Life can get you down so I just numb the way it feels
C **G** **D** **D#dim7** **Em**
I drown it with a drink and out of date prescription pills
C **D**
And all the ones that love me
Em **D** **C**
They just left me on the shelf
A7/C#

My farewell
Am7
So before I save someone else,
C **G/D** **Am7/E** **D7sus4** **G**
I've got to save my - self

Am7
So before I save someone else,
C **G/D** **Am7/E** **D7sus4** **G**
I've got to save my - self
Am7
And before I love someone else,
C **G/D** **Am7/E** **D7sus4** **G**
I've got to love my - self
