

# Foolish Games

Louis Delort

Version Guitare sans Capo

**Dm2**

Feel me in my nature,

**Asus2**

I am walking only as I am, in the wall

**Dm2**

It's floating like an ember,

**Asus2**

It's killing my affection and I am the wall

**G6**

Our love is not green

**F#7sus4**

Just every time well

**Bm11 Asus2 Dsus2**

Its foo - lish games

**F#7sus4**

A stranger as I am

**G6**

What you couldn't understand

**Dm2**

A level in my solace,

**Asus2**

It's coloured me all by lone east tempered waves that call

**Dm2**

You said to me my heart regrets

**Asus2**

I know why my ancient numbers in the wall

**G6**

Our love in the storm will fade

**F#7sus4**

Just humour me

**Bm11 Asus2 Dsus2**

Why these foo - lish games,

**Bm11 Asus2 Dsus2**

All your foo - lish games

**F#7sus4**

Just tell me what I know,

**G6**

Wall the wave, he'll be here

**Dm Gsus4 C Dm**

Getting turned

**Dm Gsus4 C Dm**

Getting turned

**Bm11 Asus2 Dsus2**

I'm letting foo - lish games

**Bm11 Asus2 Dsus2**

I'm letting foo - lish games

**F#7sus4**

Well everyone I know,

**G6**

Go away in the end

**Dm Gsus4 C Dm**
